## Electronic Message Sign Request Form

The primary use of the electronic message sign located at the main City Park is to transmit city news, events, and other information to the general public. Non-profit organizations or other government agencies that provide services to the general public may submit a request for approval. Political messages, personal messages, commercial advertisements, religious services and private businesses are prohibited from being displayed and should not be submitted. A party renting the depot may submit a request for a message to be displayed one-hour prior until the conclusion of their reservation for a nominal fee.

- The City Manager or designee shall have sole authority to approve or deny applications.
  - Request will be reviewed upon a case-by-case basis and all such decisions shall be deemed final.
- Spelling, format, and accuracy are the responsibility of the person completing the request. Messages may be edited for space, content clarity, and aesthetics.
- Requests should be submitted no later than 5 business days before your requested event.
- The City reserves the right to determine the number of days your message will display.
