# Two Ways to Participate

## Set Up a Display

Have your organization, business, church, or family participate by setting up a display for everyone to enjoy. Each participant will be given an area in the park to set up their display to help spread Christmas joy. The display can be a permanent display or a live display with actors.

- Each organization is responsible for providing its own lights (L.E.D. only), materials, and volunteers to oversee and construct its own display.
- Besides giving back to the community, there are many benefits to setting up a display as it promotes name recognition for your business/organization, fosters teamwork and creativity, and generates company pride.

## Become a Sponsor

Help us purchase more lights and displays to continue to grow the Christmas Festival of Lights. With your help, we can continue to purchase additional lights and displays for the community to enjoy. Your donation will be recognized on our website and signboard at the event. Your sponsorship of \$1,500 or more will allow us to purchase an animated display and your organization will be recognized for the next two years.

### Sponsorship Levels
