

The Willard Guitar Club is a new local club that is being started by David Schwan and David Sullivan starting on September 11th at the First United Methodist church in Willard at 7:00pm.

The club is “performance based” in that you not only learn to advance your skills in guitar playing, but also in performing in a public setting and a FRIENDLY environment. Each club begins with a 20-minute guitar lesson on some aspect of guitar playing. Then there is a time for interested people to perform what they have practiced during the week. Everyone is guaranteed to be able to play one song on the night. ALL styles and levels are welcome. There is a PA system at the venue.

The purpose of the club is to really encourage players to develop their skills at THEIR pace and in a friendly environment. Hope to see you there. Any questions, please text David Schwan at 567224 4813 or David Sullivan at 614 400 2952. Admission is \$5 donation.
